AI Tools: ChatGPT, Google Gemini, Microsoft Copilot, Canva AI

Soft Skills: Problem Solving, Communication, Teamwork, Time Management, Attention to Detail

PROJECTS

Personal Portfolio Website - Built a responsive personal website using HTML and CSS, with separate sections for projects, skills, and contact details. - Organized the page layout to work cleanly on both desktop and mobile screens. - Managed the code with Git and pushed it to GitHub to practice version control. <i>August 2026</i> GitHub: github.com/imrankhan2241006/My-Portfolio
Facebook Homepage Clone - Recreated the Facebook homepage layout using HTML and CSS, including the navigation bar and page structure. - Matched spacing, images, and alignment to the original design as closely as possible. - Tested the layout on different screen sizes to keep it responsive. <i>July 2026</i> GitHub: github.com/imrankhan2241006/fb-clone-website
Instagram Clone - Recreated the Instagram interface using HTML and CSS, including the layout structure and styling. - Practiced building a complete, multi-section layout to strengthen HTML and CSS skills. <i>July 2026</i> GitHub: github.com/imrankhan2241006/instagram.clone
E-Commerce Product Website - Built a modern, responsive e-commerce website using HTML, CSS, and JavaScript. - Implemented product search, category filtering, product details, shopping cart, and checkout. - Used Local Storage to save cart data, and practiced JavaScript logic beyond static HTML/CSS projects. <i>August 2026</i> Live Demo: imrankhan2241006.github.io/E-commerce-Product-Website GitHub: github.com/imrankhan2241006/E-commerce-Product-Website

TRAINING / LEARNING EXPERIENCE

Self-Directed Web Development Practice	2026 - Present
---	----------------

- Followed tutorials and documentation to learn HTML, CSS, and Git step by step, then applied each concept in a small project.
- Used ChatGPT, Gemini, and Copilot to debug code faster and understand new concepts while learning.

LANGUAGES

Urdu (Native) | English (Intermediate)
